(To be signed by the United States district judge, United States dis-trict attorney, collector, or navy agent, and no other.)
May 2—135w;

OFFICE OF THE WASHINGTON AQUESTICAT, Washington, March 5, 1857. Washington, March 5, 1867.

PROPOSALS are invited for materials and work for the Washington aqueduct.

Proposals received up to 7th May will be opened at noon of that

day.

Maps, profiles, and specifications of the materials and work to be let will be ready for examination at this office on and after the 20th

Maps, profiles, and specifications of the materials and work to be let will be ready for examination at this office on and after the 20th April next.

The work to be let will embrace masoury of some of the bridges, graduation, excavation, and embankment of reservoirs, iron pipes connected with the reservoirs, 12-inch iron main, gate houses, bricks, sand, rubble, and cut stone, &c.

For the particular works and materials reference is made to the specifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be some delay in commoncing the work thereon; but for such masavoidable delays due allowance will be made and the time of completion.

Portions only of some of the works can be completed under the present appropriation; but all contracts for unfinished work will be subject to future appropriations by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of progress; under each contract for each appropriation; and in case of the unjure printion not hobding out sufficiently, to decide when and what works shall be stopped until funds become available.

In case of the entire stoppage of any particular work for want of funds, the reserved ten per cent. will be paid, if, in the judgment of the engineer, the work has been properly executed so far as it has gone.

Payments will be made in specie checks upon the United States.

the engineer, the work has seen project;
gone.

Payments will be made in specie checks upon the United States
treasury upon the monthly estimates of the engineer, reserving 10 per
cent, and it will be a condition of all contracts that the workmen shall
be published full wages monthly, and in specie.

All bids should be sealed, and endorsed "Preposals for work or insterials on the Washington Aqueduct."

The United States reserves the right to reject any or all the bids
should they not be deemed advantageous, and to make such all range
ments as may be considered most conductive to the progress of the
work.

ments as may be considered most conductive to the progress work.

Every offer must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, if his or their bid be accepted, enter into an obligation, withlu ten days, with good and sufficient securities, for the completion of the work undertaker; said guarantee to be accompanied by the certificate of the United States district indexe, purpose, are supers, or some officer of the general government or individual known to the Engineer or Department of War, that the guarantors are able to make good their quarantee. partment of War, that the guarantee, guarantee.

Bets will be opened in presence of bidders, if any of them choose to M. C. MRGS,

Somite at Washington, free of any charge for carriage, on or before the 10th of September next.

Every acticle must be of the very best quality; unless an inferior article is called for.

It is estimated that the quantities above mentioned will be required for the first session; but the right is reserved to the Secretary to order, upon giving reasonable notice, any additional quantities during that session; or for any subsequent session of the Thirty-fifth Congress.

A sufficient specimen of each article proposed for (of paper half a quire, and of envelopes 25) is to accompany the proposal, and to be marked with the name of the proposer and the price of the article, and of paper the weight per ream. The whole of each article specified in the foregoing list will be deemed a class; and the person offering to furnish any such class at the lowest price (quality considered) will receive a contract for the same on executing a bond, with two or more surveites satisfactory to the Secretary of the Secretary of the Secretary of the Secretary within ten days after the proposals have been accepted.
